Shop Lucky Finds sellers will receive a check within 2 weeks from the date of the event (50 percent of your total sales for the day). Please make sure **Shop Lucky Finds** has your email and current mailing information. If possible, we suggest enclosing a self addressed stamped envelope when dropping off. If none of your items sell, you will not receive a check but will receive a donation tax form from Room To Grow.

- Additionally, note on each bag if you wish "pick up" or "donate" unsold merchandise (Pick up is on November 21st at the close of the sale at 4pm)

Pricing

- **Shop Lucky Finds** will price all of your items, our goal is "price to sell"
- Items should be priced at 30-50% off of the original price
- Designer brands do sell better, as do new items that have the original tag—these will be priced higher
- Think about how much you would pay if you were buying the items
- WE PRICE TO SELL! (ie., \$2, \$5, \$10, \$15, \$20, etc.)
- All items must pass a \$2 rule. If the item can't bring \$2 on its own, pair it with something that will. You may bag several items together such as bibs, socks, similar toys
- If you have exceptional designer items, you are welcome to suggest a reserve price to us

Donation

Sellers **MUST** make arrangements to pick up any unsold items at the close of the sale OR they have the option to donate items to our charity partner, Room to Grow. All donors will receive a tax form. At drop off, sellers should advise us if they will pick up unsold items or will donate at the close of sale on November 21st at 4pm. Anything left after the sale **WILL BE DONATED**. We cannot store items for the next sale.
